Judges

On August 7, 2008, this Court issued an order that, in relevant part, directed defendant's attorney, Robert Kinney III, to file an answer to the prosecution's interlocutory application on or before August 14, 2008, in the Detroit clerk's office, in accordance with *People v Murphy*, 477 Mich 1019; 726 NW2d 722 (2007). Having been informed by the Manager of Court Reporting Services at Wayne County Circuit Court that the trial court is attempting to appoint appellate counsel to file an answer on defendant's behalf, the Court now orders that the deadline for filing an answer shall be 21 days from the prosecution's service of the application and the accompanying motions upon appointed appellate counsel. The prosecution shall immediately serve the application and motions on appellate counsel upon the trial court's appointment and shall file a proof of service with this Court.

The Court further removes from abeyance the motion for stay, and orders that the motion for stay is GRANTED. Further proceedings are STAYED pending further order of this Court.

The Court retains jurisdiction over the application for leave to appeal and the motion for peremptory reversal, which are being held in abeyance pending further order of this Court.
